Home Loan — Product Disclosure Sheet

Document PDS-HL-001 · Effective 1 January 2026 · Owner: Retail Banking, Secured Lending · Classification: Public

1. About this product

The Sample Bank Home Loan helps individuals finance the purchase of completed private residential property and HDB flats in Singapore, or refinance an existing housing loan from another bank. This Product Disclosure Sheet (PDS) summarises the key features, interest rates, fees and risks. Please read it together with the Letter of Offer and the Home Loan Terms and Conditions.

2. Eligibility

- Borrowers must be at least 21 years old and not more than 65 years old at loan maturity.
- Minimum annual income of SGD 30,000 for Singapore citizens and permanent residents, and SGD 60,000 for foreigners.
- Minimum loan quantum of SGD 100,000. Maximum loan tenure of 30 years for HDB flats and 35 years for private property.
- All applications are assessed under the Total Debt Servicing Ratio (TDSR) framework; the TDSR must not exceed 55%.

3. Interest rate packages

Two packages are available. The fixed rate package offers certainty of instalments during the lock-in period. The floating package is pegged to the 3-month Compounded Singapore Overnight Rate Average (3M SORA), which is published daily and may go up or down.

Table 1: Fixed rate package (2-year lock-in)

Period	Interest rate (p.a.)
Year 1	2.45%
Year 2	2.45%
Year 3	2.65%
Thereafter	3M SORA + 1.10%

Table 2: SORA floating package (no lock-in after year 2)

Period	Interest rate (p.a.)
Year 1	3M SORA + 0.70%
Year 2	3M SORA + 0.80%
Year 3	3M SORA + 0.90%
Thereafter	3M SORA + 1.10%

4. Fees and charges

Fee	Amount	When charged
Prepayment penalty (within lock-in)	1.50% of amount prepaid	Partial or full prepayment during lock-in

Cancellation fee	SGD 2,000	Cancellation after acceptance of Letter of Offer
Late payment charge	SGD 120 per instance	Instalment not received by due date
Repricing fee	SGD 800	Switching packages within Sample Bank
Legal subsidy clawback	Full subsidy amount	Redemption within 3 years

5. Loan-to-value limits

The maximum loan-to-value (LTV) ratio is 75% for a borrower's first outstanding housing loan, 45% for the second and 35% for the third and subsequent housing loans, in line with Notice R-632 on Residential Property Loans. A lower LTV applies where the loan tenure exceeds 30 years or extends beyond age 65.

6. Key risks

If you choose the floating package, your monthly instalment will rise if 3M SORA rises. You should ensure you can still afford your instalments if interest rates increase by 3 percentage points. If you fail to pay your instalments, the bank may take possession of and sell the property, and you remain liable for any shortfall.

7. Free look and cancellation

There is no free-look period for housing loans. Cancellation after you accept the Letter of Offer attracts the cancellation fee shown in section 4. Fire insurance on the property is mandatory for the full loan tenure; see the Home Protection Insurance PDS for an optional mortgage-linked cover.

8. Contact

For enquiries, visit any Sample Bank branch or call the mortgage hotline at 1800-000-0000.
